- The Name: While we focus on single-vineyard, single-varietal bottlings with the J. Brix label, we occasionally make a blend in varying colors with varieties we think will play extra deliciously together. The resulting wine is, always: (THE HORNSWOGGLE). This is the first Clink-Clink Pink! It may not exist in every vintage, and it'll always be different from year to year, but none of that really matters, because the whole point of (THE HORNSWOGGLE) is sheer pleasure, so drink it and love us again, and stop asking so many questions and JUST HAVE FUN ALREADY AND SAY YES.
